

Stelios A Zinelis MD, BA.

Internal Medicine
Gastroenterology and Hepatology

Bachelor Degree(BA): California State University Long Beach,
California, USA.

Doctor of Medicine: University of Athens, School of Medicine,
Athens, Greece.

Residency in Internal Medicine. Shadyside Hospital, Pittsburgh,
Pennsylvania, USA.

Fellowship in Gastroenterology and Hepatology: Shadyside Hospital,
Pittsburgh, Pennsylvania, USA.

Diplomate: American Board in Internal Medicine.
American Board in Gastroenterology-Hepatology.

Medical Doctor: Western Penn Hospital, Pittsburgh, Pennsylvania,
USA.

Vice President: Hellenic Cancer Society, Cefallonia, Greece.

I have been involved with Electromagnetic Radiation since I had
noticed an increase of medical problems to the patients who had
been exposed to this radiation.

Publications and activities on Electromagnetic Radiation.

'Mobile telephone masts and the effects of Electromagnetic
radiation', *Journal of Oncology Report*, January-March 2003, Vol.
5(1).

'Are the High Voltage Power Lines dangerous?', *Medicine (IATRIKA)*,
12 August 2003 (75).

'Effects of the Electromagnetic Radiation to human health', (letter to
the editor), *Medicine Front (IATRIKO VIMA)*, September-October
2005 (100).

'Mobile Telephone Radiation and the Human Health', *Journal of
Oncology Report*, April-June 2006 Vol. 8(2).

Report to the Minister of Health (30-8-05), 'The effects of Electromagnetic Radiation'.

Report to the Prime Minister (7-11-2005), 'The effects of Electromagnetic Radiation' (signed by 13 scientists from the Universities in Greece and USA).

Response to: European Commission health and consumer protection Directorate-General. Scientific Committee on Emerging and Newly Identified Health Risks(SCENIHR). Preliminary Opinion on Possible effects of Electromagnetic Fields(EMF) on Human Health. October 20, 2006.

The radiation exposure limits should be lowered. Article in Evrytanika Nea(Evrytanika, News), Number 238, June 6, 2007.

<<Cellular Telephone Use and cancer Risk: Update of a Nationwide Danish Cohort>>(Letter to the Editor). Journal Of Oncology Report, Vol. 9, (1), January-March 2007.

Is research and scientific knowledge influenced by interest groups? Oncology Report. Volume 9 Number 3, July-September 2007.

Does Short Term Exposure to Mobile Phone Base Station Signals Increase Symptoms in Individuals Who Report Sensitivity to Electromagnetic Radiation Fields? A Double Blind Randomizing Provocation Sudy. A Letter to the Editor. Environmental Health Perspectives. Volume 116, Number 2, February 2008.

Invited speaker:

4th European Social Forum, May 2006, Athens, Greece: 'Public Health and mobile telephones'.

10th Symposium with International participation on Human Health, September 2005, Lixouri, Cefallonia, Greece: 'The effects of Electromagnetic Radiation'..

Junior and Senior High Schools in Cefallonia, Greece: 'Electromagnetic Radiation and the environment'.

Proceedings of the 29th Scientific Conference of Hellenic Association for Biological Sciences, Kavala, May 17-19, 2007: 'Electromagnetic

Radiation Mobile Telephony. Is the scientific Knowledge Influenced by the Industry?'

Expert Testimonies.
